Despre mine

I`m a student with no work experience. Despite that, I`ve been involved in volunteer work since 2019, therefore I`m not lacking communication and problem-solving skills.

I am a cool-headed and open-minded person, always dealing with conflicts rationally.

My favourite thing to do is reading. In fact, I do enjoy reading manhwas (type of Korean comic book). Music is my second passion and the reason i learned English.
